

Replacement 5V Power Cable for RGB LED Matrices

Product ID: 4767

Here's a handy power cable for the [RGB LED Matrix Panels](#) we carry.

Easily plug into the back of your RGB matrix and insert or screw the power and ground cables onto either the [Matrix Portal](#) or the [Matrix Bonnet](#), or whichever microcontroller-and-add-on you're using for your RGB Matrix project.

Works with any/all RGB LED Matrices that are 'HUB75' style. Not for use with NeoPixel or Dotstar matrices.
