End of Life Notice:
UMW series

To All customers:

We would like to take this opportunity to extend our appreciation for the business relationship between our companies and your continuous support of Nichicon.

We are notifying you that Nichicon UMW series has reached its End of Life and is going to be discontinued effective the end of March 2022

Last time buys must be received before the end of September 2021.

Recommended replacement series is the UUQ series. UUQ series is a surface mount product where the UMW series is a radial leaded through hole part.

Please contact us if you have any questions regarding this notice or recommended replacements.

Sincerely,

Mark Gebbia,

Sales Application Engineering Manager – Americas
