

Male pin block, No. of poles: 9, Width: 35.68 mm, Colour: Green

### Business data

|  |                            |
|--|----------------------------|
| Article number                             | <u>11990.1</u>             |
| Article name                               | STL 1590/9/3,81-G GN       |
| GTIN (EAN)                                 | 4044211027537              |
| Connector version                          | Attached plug-in connector |
| Packaging unit                             | 50                         |
| Quantity unit                              | PC                         |
| Packaging type                             | Carton                     |
| Type of banding                            | Without                    |
| Weight per piece (not including packaging) | 3 g                        |
| Weight per piece (including packaging)     | 3.5 g                      |
| Unit of weight                             | G                          |
| Customs number                             | 85366930                   |
| Country of origin                          | QU                         |
| Colour                                     | Green                      |

### Technical data

#### Dimensions

|                            |          |
|----------------------------|----------|
| Length                     | 13.1 mm  |
| Length of the pin          | 3.4 mm   |
| Width                      | 35.68 mm |
| Width left                 | 2.6 mm   |
| Width right                | 2.6 mm   |
| Height                     | 11 mm    |
| Drill hole diameter        | 1.2 mm   |
| Diameter of connecting pin | 0.8 mm   |
| Pitch                      | 3.81 mm  |

#### Ratings

|                       |        |
|-----------------------|--------|
| Rated voltage         | 160 V  |
| Rated current         | 10 A   |
| Rated impulse voltage | 2.5 kV |
| Overvoltage category  | III    |
| Contamination degree  | 3      |

#### Connection data

|                        |                            |
|------------------------|----------------------------|
| Angle of PCB/contact   | 45°/135° (slanted upwards) |
| Number of plug-in rows | 1                          |
| No. of poles           | 9                          |

#### Materials

|                           |                            |
|---------------------------|----------------------------|
| Insulation housing        | Polybutylene terephthalate |
| Flammability class UL 94  | V-0                        |
| Working temperature, min. | -30 °C                     |
| Working temperature, max. | 105 °C                     |
| Contact pin               | Copper alloy               |

### Technical data

#### Further technical data

|   |                             |
|---|-----------------------------|
| Storage temperature, min.                 | -40 °C                      |
| Storage temperature, max.                 | 105 °C                      |
| Insulation resistance                     | 1*10 <sup>13</sup> Ohm x cm |
| Creepage-current resistance               | CTI 175                     |
| Glow wire flammability index GWFI         | GWFI 850                    |
| GWFI after-glow time                      | 30 Sek.                     |
| Glow wire ignition temperature GWIT       | GWIT 775 °C                 |
| GWIT exposure time                        | 5 Sek.                      |
| Plug-in cycles acc. to standard           | 100                         |
| Recommended wave soldering temperature    | 265 °C                      |
| Recommended wave soldering duration, min. | 3 Sek.                      |
| Recommended wave soldering duration, max. | 4 Sek.                      |

#### Environmental Product Compliance

|                                |            |
|--------------------------------|------------|
| REACH Conform                  | yes        |
| REACH Reference date           | 2023-06-14 |
| REACH Candidate Substance Note | No         |
| RoHS Conform                   | yes        |

### Approvals

#### cUL Recognized

|                               |                 |
|-------------------------------|-----------------|
| cUL approval                  | CSA 22.2 No.158 |
| cUL Usegroup B: rated voltage | 300 V           |
| cUL Usegroup B: rated current | 10 A            |
| cUL Usegroup D: rated voltage | 300 V           |
| cUL Usegroup D: rated current | 10 A            |
| cUL wire material             | Cu              |
| cUL Recognized                | 1               |

#### UL Recognized

|                              |         |
|------------------------------|---------|
| UL approval                  | UL 1059 |
| UL Usegroup B: rated voltage | 300 V   |
| UL Usegroup B: rated current | 10 A    |
| UL Usegroup D: rated voltage | 300 V   |
| UL Usegroup D: rated current | 10 A    |
| UL wire material             | Cu      |
| UL factory wiring            | 1       |
| UL Recognized                | 1       |

#### VDE approval

|                           |              |
|---------------------------|--------------|
| VDE approval              | DIN EN 61984 |
| VDE approval granted      | yes          |
| VDE rated voltage         | 160 V        |
| VDE rated current         | 10 A         |
| VDE rated impulse voltage | 2.5 kV       |
| VDE overvoltage category  | III          |
| VDE contamination degree  | 3            |
